Three Boy Pedestrians Hurt as Traffic Toll Totals 39 Accidents

Three boys who were injured in separate pedestrian accidents were among 38 persons hurt in a mounting weekend toll of 39 traffic accidents. Five persons were injured in one two-car collision and four others were hurt in another accident.

John Todd Bradley, 6, who was struck by an auto in front of his home, 240 Lee avenue, about 8:40 p.m. Saturday, was hospitalized for treatment of abrasions to his face, chest and both arms and legs. He is the son of Mr. and Mrs. Don Bradley.

Police were told by the motorist, Grant Harbison, 43, of 3032 Nameoki drive, that he was traveling north and saw the boy on the sidewalk. Suddenly the boy darted into the street and into the path of his car and was nearly across the street when hit by the left front of the auto which Harbison was trying to stop.

Michael Holman, seven, son of Mr. and Mrs. Kelley Holman, 2101 Troy avenue, Madison, was injured when he ran in front of an auto driven by Doris Blacklock, 1611 Spruce street, and was struck at 12:20 p.m. Thursday at Route 203-Cambridge avenue, state police reported.

He was admitted to the hospital with injuries to the chin, right arm, right leg and thigh. X-rays were taken.

Boy Hit by Car
Cecil Jarman, 15, suffered a fractured left arm and multiple abrasions and contusions to his right arm and left shoulder when he was struck by a car while crossing Route 3 between Circle drive and Ponton road. The youth, son of Mr. and Mrs. Clarence Jarman, 3941 Sinclair avenue, was taken to an emergency treatment at St. Elizabeth Hospital and transferred to Jewish Hospital, St. Louis, where he was reported to be in good condition. He is a high school student.

The mishap was witnessed by the boy's father, who was parked along Route 3 as the youth was crossing the highway. "He had crossed the road, was doubling back when he walked in front of the car. He was knocked up onto the hood of the car and then slid off on the shoulder of the road," the father said.

State police said the driver of the southbound auto was Sylvester Bishop, 57, of East St. Louis.

Five Hurt in Crash
Five persons, including drivers of two cars, were injured about 2:40 p.m. Sunday in a two-car accident at 23rd street and Madison avenue. Police said Donna Tankley, 22, of 2815 Buxton avenue, and three children in her northbound car were hurt—Rhonda and Rodney Tankley, both two years old, and Jeffrey Tankley, three. Also hurt was the driver of a westbound auto, Violet Miller, 59, of 2453 Hodges avenue.

Four persons were injured in a two-car crash about 7:30 p.m. Friday at the intersection of Route 203 (Nameoki road) and

Town Hall, 2 Schools Visited by Burglars

The Nameoki township hall was looted of tools and equipment and Dunbar school in Madison lost athletic supplies to a burglar in two of 22 weekend crimes in the area. Another school and a park shed also were looted, as were three businesses and four dwellings.

Burglars looted the Nameoki township office and garage during the weekend, escaping with tools, office equipment and other items valued at \$13.55, sheriff's deputies reported today.

Nameoki Town Clerk Louis Whitsell, who reported the theft at 7:10 a.m. today, told deputies he locked the office at 5 p.m. Saturday. Deputies said there was no indication of forced entry and it was undetermined how the intruders entered the building.

Officers said the burglars obtained tools from the garage which they used in an unsuccessful attempt to pry open the safe and a filing cabinet. They broke open a soda machine and took the coin box. From the garage they took a battery charger, a case of de-icer and assorted hand tools.

Also missing were two typewriters, two adding machines, a radio, three copying machines, an electric pencil sharpener and four sweaters.

2 Hurt Seriously As Blast Wrecks Venice Apartment

An explosion believed by police to have been caused by a high-powered, home-made bomb ripped through a second-story Venice apartment about 12:20 a.m. yesterday, seriously injuring two persons.

Three other persons received treatment for apparent injuries to their ears and heads when a ten-month-old baby in the apartment at the time of the explosion was undamaged.

Critically injured was Frank "Peaches" Wooten, 23, of the Venice Garden Apartments at 123 Weaver street where the explosion occurred. All of Wooten's right hand except the thumb, was blown off, according to a hospital report to Venice police.

Wooten also suffered multiple injuries to the right thigh and leg from bomb fragments, and multiple cuts and bruises to the body. He was treated at St. Elizabeth Hospital and transferred to Barnes Hospital, St. Louis, where he was reported to be in good condition. He is a high school student.

The mishap was witnessed by the boy's father, who was parked along Route 3 as the youth was crossing the highway. "He had crossed the road, was doubling back when he walked in front of the car. He was knocked up onto the hood of the car and then slid off on the shoulder of the road," the father said.

State police said the driver of the southbound auto was Sylvester Bishop, 57, of East St. Louis.

Face, Neck Injured
Lawson Mason, 19, of 616 Mercordia street, suffered multiple puncture wounds to the face and neck. He received emergency treatment at St. Elizabeth Hospital and was transferred to Christian Welfare Hospital in St. Louis.

Venice police said Wooten's wife, Mrs. Freema Wooten, 22, and their 10-month-old daughter, Madison Garrett Jr., 17, of 108 Douglas street, and Carlos Reynolds, 9, of East St. Louis, all of whom were in the apartment when the bomb exploded, were taken to St. Elizabeth Hospital.

Both Garrett and the Reynolds boys were treated for hearing difficulties and Mrs. Wooten was treated for hysteria.

Investigation into the source of the bomb and the cause of the explosion is continuing.

Athletic equipment valued at \$253 was stolen from a supply room at Dunbar school, it was learned about 11:20 p.m. Saturday, when it was discovered two windows on the south side of the building had been broken.

Taken were two dozen baseballs worth \$39, six basketballs worth \$80, five footballs valued at \$55, three volleyballs worth \$25, and two soccer balls valued at \$25.

An attempt was made to force open a soda machine, Madison police said.

School entered a case of soda was taken from Blair school by a youth who was seen to break a glass in a door on the southwest side of the building about 6 p.m. Saturday. Venice police were unable to locate the youth.

A public address system worth \$150 was stolen from a storage shed at Worthen Park by a thief who broke the padlock and a filing cabinet. They broke open a soda machine and took the coin box. From the garage they took a battery charger, a case of de-icer and assorted hand tools.

Trio Found Hiding On Third Floor at Fleishman Building

Three men were captured on the third floor of the Fleishman building, 19th street and Delmar avenue, following a burglary at the Schermer Hardware store, 1918 Delmar, at 3:10 a.m. Friday.

Charged with burglary were Wayne Taylor, 23, of 4120 Ponton road; Jack Milosevich, 22, and Joseph Lundvigsen, 24, both of Collinsville.

Bond was set by Magistrate Mateosian at \$15,000 for Taylor, an ex-convict with a criminal record in California, \$5000 for Lundvigsen and \$6000 for Milosevich. Taylor was arrested on Dec. 20 at a home on Lee avenue.

Entry to the hardware store was gained by knocking the lock off an elevator door on the roof and riding the elevator to the ground floor.

The burglars set off the alarm, and Lt. Leo Padgett, patrolling in the area, drove to the rear of the store with the car lights off. He spotted two burglars loading shells into two shotguns.

He radioed for help, and all units, plus a Madison patrol car, converged on the scene. The burglars took one of the shotguns and rode the elevator to the roof, hiding along various places of the buildings until they broke a window to enter the Fleishman building and were found crouched behind a counter in a third-floor storage area.

Ordered to Drop Gun

The trio was confronted by Madison Police Sgt. Ronald Grawacki, who ordered one man to lay down the 12-gauge shotgun he was holding, and Granite City Patrolman Robert Antonian, who covered the men with his own weapon until they complied. The slide-action shotgun, taken by the burglars from the hardware store, was loaded when retrieved by police.

The three also were charged with burglary of the office of Dr. G. E. Halvama, 1916A Delmar avenue, the same night. Entry there was gained by breaking the glass to the office door. The office was ransacked, nothing was reported missing.

Granite City Chief of Detectives Joseph Kaszetic sr., noting the fine cooperation received from the Madison police department, said that good teamwork resulted in the capture of the three suspects. He commented also on other recent incidents which Ponton Beach volunteer police, Madison, Venice and Granite City departments have cooperated successfully.

Surviving are his wife, Mrs. Theresa Hatcher, one son, Frank William Hatcher of Granite City; three daughters, Misses Lorraine, Eunice and Julianne Hatcher, all of Madison; one brother, Hans Hatcher of Bremen, Germany; and four grandchildren.

Funeral services will be held today. Arrangements are given in the obituary column.

GM&O Charged with Blocking Broadway

Venice police filed a complaint against the Gulf, Mobile & Ohio railroad Friday afternoon for blocking the Broadway crossing for 20 minutes.

Officers reported the gates went down at 4:24 p.m. for a northbound freight train pulling out of the yards, and that the train did not clear the crossing until 4:44 p.m.

The complaint charges the railroad with obstruction of a highway.

Tornado Touches Down at Mitchell

Mitchell residents are beginning to wonder if they are living in the area's tornado alley.

Yesterday's storm was the fourth in time this decade that tornadoes or twisters have hit the area.

Minor injuries were suffered by motorists in yesterday's storm which struck about 6:30 p.m. and there was property damage along Paradise lane which is off U.S. 66 near Route 111, immediately west of the Bel Air Drive theater.

Jaycee Annual Homecoming Thursday Through Sunday

Brand new rock-and-roll and round-up rides will spark the 1970 midway attractions at the Jaycee's "Homecoming Celebration" which gets underway at 6 p.m. Thursday at West 25th and Missouri avenue.

Bigger and better entertainment extending over a four-day period is planned this year by the local Jaycee organization, according to Al Delay, Homecoming chairman, who noted that music shows and dancing, featuring country-western and rock 'n' roll groups, will be offered patrons each evening.

A wide assortment of carnival rides and games will be available with local organizations sponsoring booths offering a variety of food and beverages, including homemade tacos, fish, shrimp, bratwurst and other outdoor fare.

The midway operator also has arranged to provide a large ferris wheel, tilt-a-whirl, octopus and a fun house. Between 2 p.m. and 5 p.m. on Saturday and Sunday, kiddie matinees will be held, with rides costing 20 cents each.

To open entertainment at 7 p.m. Thursday, the music of the "Burlington Route" will be heard. The local rock group, consisting of Ron and Jeff Homyer, Paul LeGrand, George Judge and Nick Kostoff, won the Jaycees' "Battle of the Bands" last September.

The Burlington Route will play from 7 p.m. to 11 p.m. Thursday and during the same hours on Sunday evening. A special attraction Thursday will be an appearance by the eight Miss Granite City contestants who will compete for the local beauty-talent title on Sunday, June 28.

On Friday and Saturday from 8 p.m. to midnight, the "Lane Gang" will present a country-western show, Delay said.

Both space still is available to local organizations, business firms and individuals. Reservations can be made by contacting Jim Jeffries, at 877-8806, for details.

Local groups signed as booth sponsors include Boosters of the Fighting Warriors; Kirkpatrick Homes Improvement Association; Women for Organized Labor; Boy Scout Troop 22; Mexican Honorary Commission; Mr. and Mrs. Club of St. Gregory Armenian Church; Mitchell Athletic Club; Kirkpatrick Tennis Club; Jaycees; Nameoki Band Parents; and St. Elizabeth Hospital Nurses Auxiliary.

Additional concessions areas will be sponsored by the Jaycees, including an open-air beer garden, Delay said.

Locked Window Opened

At the home of Robert Orender, an overhead garage door was bowed by the tornado, which broke several windows in the door and also vibrated a bedroom window that had been locked, forcing it open.

The Orender's beagle dog, Duke, that had been chained in the front yard, disappeared. The chain was intact. "Tornadoes can do strange things," Mrs. Orender commented.

In another area of Mitchell, Al Reber, nephew of Press-Record shop foreman Louis Reber, was in his back yard at 708 Meadowlane drive, with his wife and son, when he saw the twister. His wife ran inside the house for a camera, while Mr. Reber and his son, Buster, stayed outside to watch.

"I got the picture, and it looked like the twister went up the railroad tracks," Reber said. His son added that it appeared "to dissipate and then reared back." They did not believe it had touched down.

Along the tracks north of Mitchell, a tree was blown down. The tree was blown down.

Rhythm-Jazz to be Featured At Venice Concert Tonight

Mor Thiam's "African Sounds," a new concept in music which fuses African rhythms and Afro-American jazz, will be featured at 7 p.m. today in the first of several special programs to be sponsored by the Venice-Madison Fine Arts Committee. The event will take place on the Lee Park tennis courts, near the Venice community center on Broadway.

Tonight's program includes a free concert and dance presented by a jazz ensemble from Southern Illinois University's Performing Arts Training Center in East St. Louis. The public is invited to attend.

Arrangements for the show were made by the newly-organized Fine Arts Committee with the assistance of Miss Katherine Dunham, director and founder of the SIU Performing Arts Center. Miss Dunham, a widely-known performer and SIU instructor, also is a member of the local committee.

Other committee officers and consultants, include Willy Walker, chairman; Mrs. John Lee, vice-chairman; Mrs. Hilda James, executive secretary; Miss Dunham, William F. Ledbetter, Donald Mancel, Miss Hatthy Byrd, Rev. Terry Shea, Rev. L. Calmes, Mrs. Helen Purkale, Leon Bland, R. Duane Rankin, Wade James, Robert McKinney and Emmett Timmons, program director.

Clark-McGuire Nuptials At St. Margaret Mary

The wedding of Miss Carol Dee McGuire, a daughter of Mr. and Mrs. Lawrence McGuire, Route One, and Richard Joseph Clark, son of Mr. and Mrs. Charles Clark, 3213 Bluebird lane, took place Saturday in the sanctuary of St. Margaret Mary Catholic Church with Rev. Hugh Cassidy officiating.

Phil Spence was at the organ and the soloist, Frank Lawrence, sang "Mother At Thy Feet," "Ave Maria," "O Lord" and "On This Day."

Two urns of white flowers adorned the altar for the three o'clock service, and a reception was held afterward in the Officers Club of the Granite City Depot. Mrs. Gary Smith presided over the guest book.

After a honeymoon at Lake Geneva, the newlyweds will reside at 3243 Maryville road, Granite City.

A gown of pure white silk organza was worn by the bride. It was designed with a high yoke of Venetian lace over sheer with tiny lace motifs. The same lace design was repeated on the long sleeves and a band of lace encircled the waistline of the A-line skirt which had a hem of lace. A detachable train fell from the waist into a sweep train and the bride carried a bouquet of white daisies and stephanotis. Mr. McGuire gave his daughter in marriage.

TODAY... 3 out of every 100 children born are mentally retarded! That's an average of 300 a day... 10,000 a month! TODAY there are some FIVE MILLION mentally retarded individuals in this country. BUT... this does not include parents, brothers and sisters of those afflicted. Thus, the number of people directly or indirectly affected by this greatest of all tragedies is over TWENTY MILLION AMERICANS. A small donation to the Mental Health drive this month may help to reduce these tragic numbers.

Sheriff's deputies said Ella Grahm, 22, of 312 Terry street, Eagle Park, and Johnny Lee Marchbanks, 27, East St. Louis, were standing by an auto talking when a car driven by James Saxe, 313 Allen street, backed out of a parking space and struck them and the car.

The Graham woman was treated for deep lacerations to both legs and knees and transferred to Jewish Hospital, St. Louis. Marchbanks was given x-rays of the spine and both legs and admitted to the local hospital.

Wet pavement was blamed for a two-car crash, occurring at 11:40 p.m. Sunday on Highway 203, north of Maryville road, which resulted in injuries to three persons.

State police said an auto operated by Mrs. Inez Staples of Florissant, Mo., went out of control on the slick roadway and was involved in a collision with a northbound vehicle, driven by Ed Morris, 30, also of Florissant.

Treated at St. Elizabeth Hospital were Mrs. Staples, 39, contusions to the face and left knee; Mrs. Gloria Jeanne Up-ton, 36, of Florissant, a passenger, who complained of head and neck pains; and Morris, who injured his left leg.

The two women were transferred to Christian Northwest Hospital, St. Louis county, and the man to Faith Hospital, St. Louis.

Van Mirror Hits Youth

Robert Fuller, 15, of 2526 State street, was struck by a van driven by Gino Pellarin, St. Louis, who drove into the alley from 21st street between Iowa street and Washington avenue at 10:30 a.m. Friday.

Pellarin honked his horn when he saw the youth, but Fuller did not move far enough away, police were told. He suffered abrasions to the left chest and forehead and abrasions to his left leg.

Mrs. Sarah Knowland, 40, of East St. Louis, sustained a cut to the lower lip in an auto accident early Sunday morning.

She was hit by an ambulance at St. Elizabeth Hospital at 4 a.m. yesterday and later transferred to St. Mary's Hospital, East St. Louis. Details of the accident were unavailable.

Autos operated by Mrs. Mary Murphy Garza, 24, of Collinsville and Victor J. Sobolewski, 16, of 2770 Iowa street, collided at the intersection of Grand avenue and 27th street at 7:05 p.m. Sunday. A minor injury reportedly was sustained by

Mrs. Carol Trujillo, 20, of Castville, a passenger in the Garza vehicle.

Miss Suzanne Shoemaker, 18, of 2804 Sunset drive, sustained abrasions to the left leg when the motorcycle on which she was a passenger skidded on a dirt cycle track near the Chain of Rocks canal bridge, at 3 p.m. Sunday. She was treated at St. Elizabeth Hospital and released.

Mercer Squad Keeps Pace With 5-3 Win

Mercer remains a half-game out of first place in the Inter-City Baseball League after stopping Highland 5-3 at Wilson Park Sunday. League-leading East Alton blanked Maryville 5-0 and Bellemeore Sporting Goods lost 8-2 at Collinsville.

Mercer's speedster Jim Becker played a little bit of both positions as an old arm injury caused a new problem in the opening inning. Larry Corey switched from first base to relieve Becker in the first, but two runs were earned by Highland.

In the second, Becker went back to the mound for three innings but Corey had to take the mound again later. Corey finished the game with a 2-1 lead and Mercer added five hits and made no errors.

Jack Fochner took the loss, holding the hill for 4 2/3 frames; Jack May finished. They gave up seven hits and there were two errors.

RBI by Johannmeier Mercer scored in the third on Becker's single and Charles Johannmeier's RBI single. Highland added its first run in the fourth to take a 1-0 lead. Corey singled in the bottom

of the fourth and Pat Kacera walked. Dave Sparks hit into a fielder's choice and was out as Corey scored.

Steve Schardan drove in the tying and winning runs in the fifth with a single. Johannmeier had singled, Harold Tanksley had walked and they were forced by Johannmeier, who went to second on a wild pitch, stole third and scored on a wild pitch.

Thompson Tops Bellemeore Collinsville's Bruce Thompson allowed six hits and two runs to Bellemeore, going six innings in the win. Clyde Blankenship relieved, allowing two hits.

Bellemeore's Mike Shambo took the loss, being touched for five hits and four runs in two innings. Ron Laws relieved for five innings, allowing five runs. Ken Gehring ruled the final frame.

Bellemeore scored in the first and second, Collinsville tallied one in the first, three in the second, two in the fourth, two in the fifth and a final run in the sixth.

3 Victorious Teams Average 16 Runs in Women's Softball

Clean cut decisions were gained in Women's League softball Thursday at Wilson Park. Mercer Ambulance beat a Vaughn Pharmacy 16-2. Roxy's Rockets beat Bill's Auto Body 18-8 and Kentucky Fried Chicken beat Schreiber Lettinger 14-4.

Ambulance rolled up eight runs on nine hits in the second inning while moving to a 2-0 lead. Facing the pitchers were Linda Gallauer, Cheryl Winfield and Pat Hoffstead with three hits apiece.

Twenty-three runners were left on base—the Rockets left 11 and Bill's 12—as Roxy's capitalized on 15 enemy errors. Joann Minnick hit a home run and three singles for Roxy's. Schreiber's and Kentucky Fried collected 15 hits but Schreiber's 15 errors gave away the game. The Chickens' Eva Horn and Schreiber's Phyllis Nieland each homered.

Allen to Face U. S. Best In Meet at California

Granite City high's Mike Allen will compete at the nation's top prep track and field tournament, the Golden West Invitational, in Sacramento, Calif., on Saturday.

Holder of the school's high and low hurdles records for two years, Allen recently was clocked in the nation's second best time this season running the 330-yard intermediate hurdles at the Midwest Classic invitational at Mexico, Mo.

Because of an apparent mistake, he was named only as an alternate to the Golden Midwest meet this past Saturday at Elmhurst, Ill., which draws athletes from a 20-state region.

Legion Topples Kiwanis

Tri-City American Legion defeated Southwest St. Louis Kiwanis in an exhibition baseball game at Wilson Park Friday, 7-4.

Three road games are in store for the Tri-City squad as it steps back into Legion league action this week. Games are slated at 6 p.m. Tuesday at Dupe, 6 p.m. Thursday at Wood River and 2 p.m. Saturday at East St. Louis.

O'Fallon's Curt Gerick lifted his team to a 6-5 victory over Mascoutah with a solo homer in the seventh. Edwardsville rallied for four runs in the final frame with the help of four errors to beat Wood River 4-1.

Both games were Legion encounters Thursday. Tri-City backed hurler Jeff Boyles and seventh inning reliever Ron Simpson with errorless defense in Friday's win. The two pitchers allowed eight hits and struck out eight.

Kiwanis scored twice in each of the fifth and seventh innings. Greenwald drove in the first run in the opening inning. In the fourth, Boyles galloped base with a squeeze play but followed by Parks' two RBI triple.

In the fifth Parks started the scoring threats with a triple. Greenwald and Don Harris produced singles for two runs. Rich Schardan, who also collected two safeties in the game, walked in the sixth with Dave Evans and Greenwald each singling for the sixth two Tri-City Legion runs.

Pitching, Fielding Decisive in Tourney

Pitching and errors were key factors at the 1970 Illinois prep state baseball tournament. Granite City high was one of the first to know this, as the Warriors conspired for only three hits and allowed only four hits but gave up five unearned runs to lose to Chicago Lane Tech 5-1 in the quarterfinals.

For the seven tourney games, the composite batting average was a meek .191 third lowest in the tourney's 31-year history. Thirty-nine errors were called the fourth highest total on the record books.

Morton East, the new state champion, showed the biggest contrast to these low statistics. The Mustangs ripped 25 hits in 94 at-bats for a .266 team bat-

ting average and committed no errors in its three games. Throughout the season, Morton East made only 39 miscues in a 27-game schedule.

Morton East put three players on the all-tourney team. Two of them are juniors; third baseman Joe Genna and left fielder Jim Caffarello. Three other starting fielders and two pitchers are also juniors, giving the Mustangs bright hopes to repeat as state crown wearers next year.

Runnerup Bradley Bounbans put four players on the ten-member all tourney team. Granite City's Joe, Lane Tech, placed outfielder Henry Iannotti on the honorary team.

Spalding Captures Sprint Car Feature The weather has prevented another race at the Tri-City Speedway. U. S. Auto Club midweek races Sunday night had to be canceled due to a torn cloud which seemed to remain for a while directly above the track.

Friday's sprint cars had an other kind of problem but the races went on and W. Spalding took the feature. The heats semi and feature events were run on the quarter-mile oval because lighting on the half-mile track blacked out after the trophy dash.

On the half-mile track, Dick Sutcliffe was the fastest qualifier. Bill Utz won the trophy. On Saturday at Jefferson City, Mo., Spalding had car trouble and Utz won the feature.

MORE ABOUT 2 Hurt

the explosion was under way today by Venice police, agents of the Alcohol and Tobacco Tax Unit of the Internal Revenue Service, and agents of the Illinois Bureau of Investigation.

Blast Wrecked Room

The bomb exploded in the living room of the apartment, police said, blasted out the windows and part of the ceiling and virtually wrecked the interior of the room. Officers said they learned that Garrett was sleeping in another room and that Mrs. Wooten and the baby were in the kitchen when the bomb exploded.

The explosion occurred just after Venice police officers Tony Youngblood and Farris Smith had passed the apartment while on patrol. They reported they were northbound on Weaver street when they heard a muffled blast "that sounded like a shotgun."

The officers said they looked back toward the direction of the sound and saw a flame erupt from the window of the apartment. They radioed police headquarters to turn in a fire alarm. As they headed toward the scene, a man hanging out the apartment, they reported, they window. They radioed for an ambulance.

Youngblood and Smith said that when they arrived at the scene "glass and parts of the building were lying in the front yards" around the apartment building. The two officers noted in their report that while cruising on Weaver street they had seen no other autos or persons in the vicinity.

Venice officers said Garrett declined to make any statement except to say that the bomb had been thrown into the apartment from a passing car.

The explosion was followed by a series of incidents which caused authorities to order all available police on duty and request outside standby assistance throughout last night and early this morning. Several cars of sheriff's deputies supplemented Venice police crews.

A number of anonymous calls were received at Venice police headquarters to tell police they had 24 hours in which to catch the persons responsible for the bombing.

Headed Black Egyptians Wooten has been president of the Black Egyptian organization in Venice, police said.

About 3:30 p.m. yesterday, police reported, about 30 Black Egyptians gathered in Weaver street around the site of the bomb blast and removed several barricades that had been placed in Weaver street. Police said they talked to the group and that one of the leaders remarked "we are ready to die tonight."

Two fire alarms within five minutes took Venice firemen to the 1000 block of Douglas street at 9:50 p.m. and to a house at the rear of 316 Weaver street at 9:55 p.m.

cross telephone lines, knocking them out of service.

Illinois Power Co. reported a primary line was knocked down along Lake drive near Route 162, and other power lines in the vicinity of Stalling Station were damaged by wind and lightning. A section of the Arlington Heights subdivision was

without electricity for a period of time.

Citadel Damaged

At the Salvation Army Citadel, 19th street and Grand avenue, preparations for an evening meeting were being made by Mrs. Harold Thomas and the doors were open when the strong winds came up. Mrs. Thomas went outside to view the storm and about a third of the tile ceiling fell in the chapel, apparently caused by a small twister. No one was hurt. An electrical wire was downed

in the 3100 block of Willow avenue, and a sewer backup was reported at Terminal and Saratoga avenues. Yesterday's rainfall at the canal locks registered a tenth of an inch. For Saturday, the reading was .24 inch.

Twisters hit the Fun & Sun beach area and another struck the area between Old U. S. 66 and I-270 west of Route 111 within the past three years, and another small twister is recalled in 1969 by Mitchell residents.

Presidential Letters Given to SIU Library

A collection of autographed letters of American presidents— from George Washington through John F. Kennedy, has been presented to Southern Illinois University's Morris Library at Carbondale.

Donor was Alfred C. Berol of New York City, who last year presented the library the rare manuscript of an address given by Abraham Lincoln in 1859 in Springfield, Jacksonville and Decatur.

The Presidential letters, with one exception, were written during the writer's tenure in office, and many are on White House stationery. One of the two letters from James Madison was written to Thomas Jefferson on the subject of Virginia politics and bears Jefferson's notations on the reverse side.

Berol also has given the library a collection of several hundred American broadsides, campaign posters, ephemeral prints and manuscripts dating from Colonial times.

One of these is a 1792 leaflet listing members of the First

Congress. Another is a Charles C. broadside dated Dec. 20, 1860, announcing the "dissolution" of the Union.

A not-for-profit corporation charter has been issued by the secretary of state's office at Springfield to the Dr. Martin Luther King Scholarship Foundation of Madison and Venice, a community organization established to aid scholastic endeavors of Madison and Venice students attending university classes or vocational oriented programs.

Wade E. James of Venice, administrative assistant in the school superintendent's office of the Madison school district, is chairman of the foundation. Willie E. Dennis, a teacher at Madison high school, is vice-president.

The foundation will operate with a 13-member board of directors representing all aspects of community activity. James said youth of the area is represented on the board by two students from the Madison high

school and two students from the Venice high school.

To Award Scholarships Purpose of the foundation, James said, is to provide \$100 scholarships to students who need assistance and who have shown a sincere intent to obtain an education. Applicants must have completed at least one semester of college classes or a vocational oriented program, James said, noting that particular significance will be attached to the records of those who have struggled with financial problems to stay in school.

Funds for the scholarships will come from contributions from business and personal sources in the Quad-City area, James said. Plans are being made for an annual fashion show benefit and other programs to provide a source of income for the scholarship fund, he added.

JUNE BRIDE. Mrs. Alan Brueggemann, who was married Saturday at St. Elizabeth Catholic Church. The former Sally Stieb, she is a daughter of Mrs. Peter H. Stieb, 2261 Pontoon road.

Brueggemann and Stieb Nuptials at St. Elizabeth's

St. Elizabeth Catholic Church was the scene of the candlelight wedding Saturday evening of Miss Sally Ann Stieb, and Alan C. Brueggemann.

The bride's father is deceased. Her parents are Mrs. Peter Stieb, 2261 Pontoon road, and Mr. and Mrs. Clifford F. Brueggemann, 7322 Murdoch avenue, Webster Groves, Mo. The bride's father is deceased.

An arrangement of pink carnations at the foot of the altar, and white satin bows and greenery on the pews along the aisle provided the setting for the 6:30 ceremony performed by Rev. Lawrence Mattingly.

Mrs. Margaret Crawshaw was organist and Keith Curtis, vocalist, sang "Ave Maria" and "Mother Bequeathed." The candles were lighted by a niece and nephew of the bridegroom, Miss Stacy Skelton and Tad Skelton.

Escorted by her brother, Ronald Stieb, the bride wore a gown of white French voile fashioned with a pinfold bodice, the high neckline trimmed with imported Venice lace.

Lace also trimmed the front and back of the waist and the deep cuffs of the long full sleeves. The semi-full skirt had a wide French hem and a detachable train fell from the waist. A brief bouffant veil of imported illusion was secured with a pearl edged comb. She carried long-stem pink and white roses.

Four attendants preceded the bride and her brother down the aisle.

They were Mrs. Ronald Stieb, matron of honor, and Mrs. Donald Devany, Mrs. Steven Ducey and Mrs. Curt Leonard, sorority sisters of the bride, bridesmaids. Their identical gowns were Victorian style with shirred waists of white striped voile with ruffled neck and long puffed sleeves, and skirts of buff chiffon. Pink satin bows, buttons and ruffles trimmed the waists and pink bows were worn in their hair. Each one carried a single long-stem pink rose.

Ally Skelton, the bridegroom's niece, served as flower girl, escorted by Michael Stieb, a nephew of the bride. She wore a long white dress of striped voile with a high ruffled neck and puffed sleeves. A pink sash in sash was tied in a bow in the back, the ends extending to the hemline. She carried a white basket of pink rose petals and wore a pink bow in her hair.

David Steinmeyer, a fraternity brother of the bridegroom, was best man, serving with Richard Smith, Robert Koster, Thomas Hicks, Gene Smith, the bridegroom's cousin, and David Skelton, a brother-in-law, groomsmen and ushers.

A reception was held at the Holiday Inn Motel in Edwardsville after the ceremony, and the newlyweds left later for a honeymoon in Acapulco, Mexico. When they return they will live in St. Louis.

The former Miss Stieb attended local schools and received a BS degree in education at Eastern Illinois University. She is a member of Delta Zeta social sorority and is presently a middle primary teacher at the Nameoki school.

Mr. Brueggemann attended Webster Groves high school and Westminster College. He earned a BS in education at Central Methodist College and a master degree in education from the University of Missouri. He is a member of Delta Tau Delta social fraternity and is employed as a physical education teacher at Webster school.

Inmon, 1803 Spring avenue, and Gary K. Knecht, a son of Mr. and Mrs. Edgar H. Knecht of Route Two, Collinsville.

The Victorian neckline, the softly belled sleeves, and the bodice were embellished with Venice lace and pearls. The skirt was trimmed with lace and pearls and entwined with white satin ribbon. The only attendants were Mr. and Mrs. Ronald W. Mueller, Terry L. Hendrickson and George Knecht, a cousin of the bridegroom, served as ushers. The Rev. John Lamb performed the ceremony at 7:30 o'clock in the evening. Miss Brenda Bivens presided at the organ and accompanied the vocalist, Miss Debra Herling.

The bride was given in marriage by her father. She wore a floor-length gown of white silk organza with a natural waistline and a flattering straight skirt.

The Victorian neckline, the softly belled sleeves, and the bodice were embellished with Venice lace and pearls. The skirt was trimmed with lace and pearls and entwined with white satin ribbon. Lace and ribbon also formed lengthwise bands on the detachable, sweep train and a shoulder-length, tiered veil of illusion was held in place with a pillbox headpiece designed to match the bodice. The bride held a nosegay of white daisies and baby breath.

The only attendants were Mr. and Mrs. Ronald W. Mueller, Terry L. Hendrickson and George Knecht, a cousin of the bridegroom, served as ushers. Mrs. Mueller wore a sheath gown of turquoise silk crepe featuring a scoop neckline, puffed sleeves and white applique on the Empire waist. In her hair was a band of fresh daisies and baby breath and she carried a nosegay of turquoise and white daisies with turquoise streamers.

The bride's mother chose a rose batiste lined white cotton lace double breasted coat and dress ensemble with rhinestone buttons and white accessories. Her corsage was pink carnations. The bridegroom's mother wore a pale turquoise crepe dress with a white decorative scroll at the jeweled neckline, matching accessories and aqua carnations.

A reception was held at the church after the ceremony. The bride and groom will honeymoon in Colorado and will be at home after June 22 in Granite City.

The former Miss Inmon, a 1968 graduate of the local high school, is employed as a cashier at First Granite City Savings and Loan Association. Mr. Knecht, a senior at SIU-SW, majoring in physics, graduated from Collinsville high school.

Miss Vickie Schwartz presided over the guest book at the reception. The rehearsal dinner was given by the bridegroom's parents Thursday evening at their home.

Altar arrangements of white flowers and greenery, together with lighted candles in branched candelabra, provided the setting Saturday at Calvary Baptist Church for the wedding of Miss Betty Inmon, a daughter of Mr. and Mrs. Gerald J. Inmon, 1803 Spring avenue, and Gary K. Knecht, a son of Mr. and Mrs. Edgar H. Knecht of Route Two, Collinsville.

The Rev. John Lamb performed the ceremony at 7:30 o'clock in the evening. Miss Brenda Bivens presided at the organ and accompanied the vocalist, Miss Debra Herling.
